Thursday, April 7, 2011

1:00 - 4:00pm

University of Hawai'i at Hilo
Campus Center Room 301
200 West Kāwili Street
Hilo, HI 96720

Topics:

Part I: The Implementation Group (TIG) and FY2011 Budget Overview

Part II: Proposal Development:

- What Do You Need to Know Before You Begin to Write
- Common Pitfalls to Avoid
- Developing an Idea
- Creating a Writing Schedule
- Budgeting

Part III: Agency Programs: Priorities, Review Criteria, and Process

- Choosing and Understanding the Funding Agency's Mission
- The Agency's Programs that You Want to Apply to and Why

Question and Answer Period

Who should attend: This workshop targets new investigators and faculty researchers who do not have experience developing proposals for major federal agencies such as the National Science Foundation (NSF), National Institutes for Health (NIH), and others. This is also a refresher for people who have not recently submitted proposals.
